One Company many solutions

Since 1996, ETS has grown to become the East of England's leading professional audio & lighting providers. Based in Wymondham, we are within easy reach of Norwich and the major trunk roads and ideally located to serve East Anglia, the Southeast and the Midlands.

The ETS ethos is to provide a one stop shop that can provide high quality Lighting, Sound and AV hire equipment at competitive rates. We are constantly upgrading and adding to our hire equipment with the most up to date equipment available.

Our 2012 hire catalogue is full of the latest lighting, sound and audio visual equipment. We offer a dry hire service, in which you collect and return the equipment to our base in Wymondham through to a fully installed and crewed event.

Ready for 2012 we have added a number of new lines to our hire stock including a range LED lighting products including LED battens, LED moving lights and LED par cans. We have also added a large number of matched 50" plasma screens and video projection equipment.

All our theatre lights are shipped with hook clamps, safety wires and colour frames where appropriate. All theatrical lights are fitted with 15 amp plug tops and all disco lights are fitted with 13 amp plug tops, if your lighting system is on a different connector don't worry we have a massive range of adaptors to make are lighting compatible with you existing system.

If you're looking to either hire a single item or need technical help with your production please call us on 01953 600888 and we would be happy to discuss your requirements.

Hire department opening hours:

Monday – Friday 9.30am – 6.00pm

Installations

The in-house team are qualified, expert technicians with considerable experience in the business. We deliver projects on time and within budget. We regularly work with architects, designers, venue operators, facilities managers, teachers or individuals, whether it is a new building or a refurbishment project our regular communication is the key to success.

Service

For places of worship, schools or other premises with existing lighting and sound installations, servicing and repairs can be carried out on site. ETS also offer "PPM" contracts and visits - Planned Preventative Maintenance can reduce equipment failures and help keep your kit working properly. However, if the worst should happen priority call-outs are available!

Repairs

With highly qualified and experienced engineers on the team, ETS offers a comprehensive and professional repair service. We can diagnosis faults and repair most equipment and our technical data base has been built up over many years, both current and vintage equipment can be serviced with genuine spare parts being used as the preferred option.

Sales

We are retailers for many leading lighting, sound and equipment companies allowing us to be very competitive on price.

So if you're looking to purchase any kind of lighting, sound or AV equipment give us a call, or visit our online shop at www.etsnet.co.uk

Not sure what equipment you need for your production, need technical advise? Why not take a look at our Help & Support section on our website where you will find lots of useful information on how to setup and operate lighting and sound equipment. Alternatively please feel free to give us a call on 01953 600888 where someone will be happy to advise you on your requirements.

Terms and Conditions of Hire and Sales

In the following “the Company” means ETS Sales & Hire Ltd, “the Customer” means the person hiring equipment or services from “the Company”.

- 1) Hired items are, and remain the property of the Company at all times. Goods for Sale are sold on a sale only basis and are not on sale or return. Title to Sales Goods supplied does not pass until full payment has been received.
- 2) Until the goods shall have passed as condition 1 the Customer shall hold the goods as bailee for ETS Sales & Hire Ltd and shall keep them separately stored and identified as the property of ETS Sales & Hire Ltd.
- 3) Notwithstanding conditions 1 & 2 the goods shall be at risk of the Customer alone from the time when they leave the premises of ETS Sales & Hire Ltd.
- 4) ETS Sales & Hire Ltd gives no warranty that goods supplied for sale are fit for customer’s purpose or purposes. The Customer warrants that he has satisfied himself that the goods will be fit for every purpose for which he requires them and that he does not rely on any skill or judgement of ETS Sales & Hire Ltd in that regard.
- 5) ETS Sales & Hire Ltd shall be relieved of its obligations under this contract insofar that it is hindered in or prevented from performing them by any circumstances what so ever beyond its control.
- 6) ETS Sales & Hire Ltd will endeavour to meet any agreed delivery conditions, but cannot accept responsibility for any delay in delivery howsoever caused.
- 7) All goods are sold subject to the specifications and warranties issued by the manufacturer. ETS Sales & Hire Ltd responsibilities for the malfunction or failure to meet performance standards of goods shall be limited in accordance with such specifications and warranties. Any liability of ETS Sales & Hire Ltd shall not exceed the value of the goods so supplied.
- 8) All quotations are made by ETS Sales & Hire Ltd without obligation. ETS Sales & Hire Ltd reserves the right at any time to vary any quotation or part thereof or to refuse acceptance of any order without assigning any reason for such refusal.
- 9) Cancellation of Sales Orders; where a sales order is cancelled, should the required goods have been specially ordered from one of the Company’s suppliers, then full payment will be due unless the company can return such items to the suppliers. In such case a restocking charge for handling and carriage will be applied and charged to the customer together with any charges from the supplier to the company.
- 10) All hire charges are either on a day hire or a weekly hire rate. Items returned late will be subject to an additional charge. All hire equipment must be returned by 2 pm on the day of return unless special arrangements are made at the time of hire. Removal of equipment from our premises confirms acceptance of our terms and conditions of Hire & Sale.
- 11) Proof of identity will be required when collecting equipment, ie; passport, driving licence, utility bill etc.

- 12) Equipment hired will be entirely the responsibility of the Customer, who is responsible for any loss or damage to the equipment. This liability begins on collection / delivery of the equipment and ends upon its safe return to the Company. The Customer must ensure that they have sufficient insurance protection against theft, fire etc. Items not returned will be charged for at full replacement cost.
- 13) Plugs and sockets must not be removed from any equipment. We supply a variety of adaptors to suit all requirements. Any item returned where the plug / socket has been removed or is missing will be subject to an additional charge.
- 14) All prices exclude VAT and are subject to alteration without notice. Prices quoted exclude delivery. Delivery can be arranged at an additional cost.
- 15) Spare fuses and lamps are supplied with each order. Faulty or blown lamps & fuses must be returned for inspection or the Customer will be responsible for their replacement.
- 16) Any damage to hired equipment must be reported to the Company within 24 hours of the damage being sustained. Damaged cause to any hire equipment will be charged for to either repair or replace the equipment. Replacement of equipment will be charged at the current replacement value.
- 17) Any mistakes in supply, faulty equipment, or items not required, must be reported within 12 hours of delivery otherwise the full invoice charge for the Hire or Supply of the item will be levied.
- 18) Where a Customer has Terms and Conditions covering purchasing that conflict with the Terms and Conditions of ETS Sales & Hire Ltd, then the Terms and Conditions of ETS Sales & Hire Ltd shall take precedence unless specifically agreed in writing by a Director of ETS Sales & Hire Ltd.
- 19) Any failure by ETS Sales & Hire Ltd to enforce any or all of these conditions shall not be construed as a waiver of any of ETS Sales & Hire Ltd rights hereunder.
- 20) The Company accepts no responsibility for equipment that does not work in conjunction with that of the Customer's.
- 21) Cables are supplied coiled and taped. Any cable not returned thus is liable to a surcharge of £1.00 per lead.
- 22) Cancellation of Hire Booking; The cancellation of a hire booking less than 7 days before the due delivery or collection date will result in the full charge being applied for the hire.
- 23) Booking Deposits; any booking deposits made for either a hire of equipment or supply of services for a production are taken to secure equipment, staff and facilities for such booking and as such are non-returnable if the event should be cancelled. These deposits will be kept to cover the work and any goods purchased or obtained or reserved for such production.
- 24) We reserve the right to change these terms and conditions at any time and without notice.
